Special Despatch to The New York Herald.
Phoenix, July 8.—Arizona has done nothing in the line of a bonus for soldiers, it being held at the legislative session last January that the State Constitution prohibits legislation of this type. The Legislature passed a soldiers settlement act permitting soldiers to take up State owned land, but the bill carried such a small appropriation as to make it virtually worthless and it is so regarded by the American Legion here.

SAN FRANCISCO, July 8.—The California Legislature is almost unanimously opposed to the bonus, and American Legion posts have asked for none. The Legislature has created a veterans' welfare board and has provided appropriament of a bonus to former service men

CONNECTICUT.

HARTFORD, July 8.—Connecticut has given no soldiers' bonus and as the 1921 Legislature has adjourned without taking any action on the matter and the next session will not be held until 1923 it is probable that nothing will be done. Connecticut has, however, a Soldiers' State Ald Fund of \$2,500,000, the income to be used for soldiers and families sick and in need. The majority of the people in Connecticut and a considerable portion of the ex-service men are opposed to a bonus. A bonus bill in the last Legislature was withdrawn at the request of the Foreign War Veterans and the American Legion.

DELAWARE.

Special Despatch to The New York Herald.
Wilmington, July 8.—Proposals for a bonus bill were allowed to die in the Legislature on account of the expense. There is considerable sentiment for such a measure, but it is not strong enough to force the passage of the bill.

OMAHA, July 8.—This State has done nothing in the way of bonus for soldiers. The last session of the Legislature appropriated a bond issue of \$2,000,000, the interest on which is to be lent temporarily to disabled, sick and needly ex-soldiers. This bill was submitted to the American Legion.

Boter, July 8.—The Legislature last winter created a veterans welfare commission and appropriated \$100,000 for aid of disabled veterans of the world war, but refused to consider a bonus, holding that this was the duty of the Federal Government. Opposition to a cash bonus is strong. Federal aid giving service men priority rights of settlement and long time loans at a low rate of interest while establishing homes, is the most popular plan in Idaho.

The bill fixes a minimum compensation at \$30, with nothing for those who served less than two months. To those who served twenty months or more will be awarded \$300.
